

Liberty Medical Response®

Helps your Patients Continue to Live at Home—Safely!

With Liberty Medical Response®, your patients will have peace of mind knowing that help is within reach by pushing a button. **Liberty Medical Response® brings immediate help, 24 hours a day / 7 days a week, to your patients for any home emergency.** With an easy to install Personal Emergency Response System in your patients home, you can be assured that a friend, loved one, EMS, Fire or Police will be dispatched at a moments notice. With a Two-Way Voice Communications device, patients will talk with a specially trained Medical Service Representative that already knows who the patient is, where they are, and what medications they're taking.

Knowledgeable communication and immediate response is the key to allowing your patients to continue living at home safely and independently. Let Liberty, the medical company you know and trust, help protect your patients.

Liberty Medical Response® Offers Patients:

- Medical Service Representatives that know who the patient is, where they are, and their medical history
- Ability to pre-select people to respond to their emergency: loved ones, neighbors EMS, police, fire
- **FREE Shipping**
- NO Activation Fee
- NO Installation Fee
- NO Long Term Contracts
