Advancing the care of persons with chronic illness and disability across the continuum

We are pleased to announce that *Rehabilitation Nursing* is now available in both a printed and online format. As a subscriber, you will automatically receive the online edition. The electronic version contains the same content as the printed version, complete with detailed charts, tables, and graphs. Enhanced online features include full text search capabilities and searchable archived issues dating back through 2004.

Starting in January 2009 all subscribers will receive only the online journal. Premium subscription is available for subscribers who wish to receive both the online and print versions of the journal. To upgrade to the premium subscription, check the appropriate box and return the corresponding payment.
