Application for Certified Rehabilitation Registered Nurse – Retired Status

In order to be eligible for CRRN-Retired status, candidates must:

- have a current, unrestricted RN license as the time of retirement
- be a current CRRN® or CRRN-A at the time of retirement or CRRN® or CRRN-A certification must have expired within the 5 years prior to the date of retirement
- no longer be employed within the nursing profession.

An individual who has been granted CRRN-Retired status may use the designation CRRN-Retired. If a CRRN-Retired re-enters the nursing profession, he or she may no longer used the designation and may regain the CRRN® credential by meeting the eligibility criteria in effect at that time, paying the examination fee, and achieving a passing score on the CRRN® examination. An individual who has been granted CRRN-Retired status may not represent himself or herself as a Certified Rehabilitation Registered Nurse (CRRN®).

There is a one-time fee of $50 for CRRN-Retired status.
