SIGNIFICANT ACTIVITIES	

Teaching Responsibilities:

Georgia State University-- Undergraduate Level

Previously I have been responsible in whole or part for:

- NURS 3510 Caring for Adult Populations
- NURS 3710 Caring for Children and Adolescents
- NURS 2080 Concepts in Nursing
- NURS 4620 Complex Cases Across the Lifespan
- NURS 4220 Critical Care Nursing; clinical component.

Georgia State University -- Graduate Level

Previously I was responsible in whole or part for:

- NURS 7030 Clinical Practicum for Adult Health Nursing I
- NURS 7040 Clinical Practicum for Adult Health Nursing II
- NURS 7600 Culture of Healthcare
- NURS 7940, Professional Issues for the APN
- NURS 8050 Quantitative Research Methods I
- NURS 8051 Quantitative Research Methods II
- PH8001 Epidemiology for Health Care Professionals

Additionally I coordinate the CNS/NP Adult Health Nursing Track

I have guest lectured in Introduction to Advanced Nursing Research, Basic Skills and Assessment, Pathophysiology, Concepts in Nursing, Complex Cases Across the Lifespan, Critical Care Nursing and Leadership and Management courses.

I have guest lectured in for the DPT students in PT7025 for Dr. Tunney. I presented topics related to care of the renal and abdominal surgery patients. I have presented these topics every spring semester since 2006

I was responsible for planning and developing new courses for core and elective options, specifically NURS 2080, Concepts in Nursing, NURS 4210, Critical Care Nursing, and NURS 4220, Critical Care Nursing Clinical.

Louise Harkey School of Nursing (Diploma Level)

I taught first level students in both the laboratory and clinical area.

I was responsible for theory presentation and clinical supervision to the students in the areas of Pediatric and Maternal Nursing.

Presbyterian Hospital School of Nursing (Diploma Level)

I taught second-level Medical-Surgical students in the clinical area.

I taught second level students Pediatric and OB/Gyn content in the classroom and clinical area.

I was responsible for instructing senior level nursing students during their final semester in the areas of critical care and team leading.

Forest Park Community College (Associate Level)

Curriculum Vitae of Mary Catherine Gebhardt

I taught first semester Medical-Surgical students in the laboratory and clinical area.

I taught second semester OB students in the clinical area.

I taught third semester pediatric students in the clinical area.

University of Missouri, St. Louis (Undergraduate Level)

Major teaching responsibilities include teaching the class and clinical content of the physical assessment course.

Barnes Hospital School of Nursing (Diploma Level)

Major teaching responsibilities include teaching Medical -Surgical content to second semester students.
